SUBJECT: ACTUARIAL AND HEALTH BENEFITS SEMINARS FOR EMPLOYERS

CalPERS Actuarial and Employer Services and Health Benefits Branches are teaming up this summer to present a full-day employer seminar at seven of our Regional Offices, plus Redding and Sacramento. These seminars will provide timely information about CalPERS retirement and health benefits programs and are intended for management, finance and human resources officers from public agencies and schools.

Actuarial and Employer Services topics will include:

- ✓ What are the causes behind recent ups and downs in employer contribution rates?
- ✓ How will the new rate stabilization method smooth out contribution rates better than the prior method?
- ✓ How does the 16.6% asset return for 2003-04 affect future contribution rates?
- ✓ How does pooling help to smooth contribution rates for smaller agencies?
- ✓ Why should schools and medium-sized public agencies consider joining the pools?
- ✓ Where can I find the information I need in CalPERS' actuarial reports?
- ✓ What will the new GASB retiree medical rules require employers to do, and when?

Health Benefits topics will include:

- ✓ CalPERS Health Benefits Program
- ✓ How to use the Health Plan Chooser Tool
- ✓ CalPERS Long-Term Care Program

The actuarial information will be presented from 9:30 a.m. to 12:00 p.m. Lunch will be provided, and the Health Benefits presentation will begin at 1:00 p.m.
